**Re: Corrib Gas Onshore Upstream Pipeline.**

Dear Mr. Campbell,

I refer to the oral hearing presently being conducted by An Bord Pleanála into the above project and to the query from the Inspector regarding this Council's position on the carrying out of any road rehabilitation works that may arise in connection with the development.

I confirm that Mayo County Council will be in a position to carry out any road rehabilitation or improvement works required to facilitate the construction of the proposed pipeline subject to the cost of all such works to the road network being borne by the developer.

Yours sincerely,

**John Condon,**  
County Secretary.
